Dear Sir/Madam

Re: Intervention – Norman Saville & Co of Birmingham and London

I can confirm that on 1 July 2010 the Panel of Adjudicators Sub-Committee resolved to intervene into the practices of Ms Nahar and Ms Malik-Masud at Norman Saville & Co and any other practice of which either is a principal. Ms Nahar and Ms Malik-Masud practised at 2 & 3 Bromley Street, Birmingham, West Midlands, B9 4AN and at 47 Muswell Hill, Broadway, London N10 3HA under the firm name Norman Saville & Co.

The appointed agent is Russell Cooke LLP of 2 Putney Hill, Putney, London SW15 6DB (020 8394 6400).

The practising certificates of Ms Nahar & Ms Malik-Masud have been suspended with immediate effect by virtue of the intervention resolution and the firm of Norman Saville & Co has accordingly ceased to operate. Clients with urgent matters should seek the assistance of new solicitors without delay. Norman Saville & Co are not in a position to continue with legal work.

Ms Nahar has indicated an intention to challenge the intervention decision by an application to the High Court.

Yours faithfully

Paul Wightman
